

## **Emebet Atsbaha**

### **1. Personal Data**

- Full name: Emebet Atsbaha
- Sex: Female
- Date of Birth: oct. 26 2002
- Place of birth: Assosa
- Nationality: Ethiopia
- Contact Address: Tel. +251-989-975-662,
- E-mail: [kibatugidey0@gmail.com](mailto:kibatugidey0@gmail.com) , Addis Ababa, Ethiopia
- GitHub: ricaim16

### **2. Educational background**

- Bachelor's degree in Software Engineering (Expected Graduation: [2025])  
Jigjiga University, Jigjiga
- Online Software Engineering Program (Current) ALX
- GPA: 3.63

### **3. Summary of Expertise**

I am a student at Jigjiga University seeking an internship opportunity. I have expertise in HTML, CSS, JavaScript, Java, C#, SQL, and Git. With a strong foundation in front-end web development, I specialize in creating visually appealing and responsive user interfaces. Through my software engineering courses, I have gained a solid understanding of software engineering principles and their practical application. I am a dedicated learner, actively staying updated with the latest industry trends and technologies. With strong problem-solving skills and effective communication, I excel in collaborative environments and have experience working on software development projects.

### **4. Work Experience:**

- No prior work experience.
